Subject: Microsoft antitrust must be enforced

Dear US Department of Justice:

If we don't stop Microsoft now, we will have no choice or innovation in the future. Microsoft has apparently bought off the Bush Administration but we must not let that happen. Microsoft, like robbers barons of the past, will stop at nothing to eliminate the competition if given the chance. For example, see <http://vb.channelsupersearch.com/news/crn/32424.asp>

Sincerely,

Joel Carlson, 622 6th Ave, Fox Island, WA 98333
